

SCALE BOSS

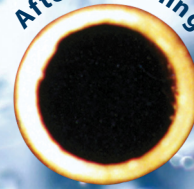

NO SALT - WATER CONDITIONER

Scale Boss is not a water softener,
but a computerized water conditioner

Before Descaling

After Descaling

that conditions the water without the need of salt or chemicals.
The unit is installed without cutting into the pipes.

- REQUIRES NO SALT, CHEMICALS OR FILTERS TO CHANGE
- NO LEAKS, NO TANKS, NO TIMERS!
- ABSOLUTELY **NO MAINTENANCE REQUIRED EVER!**

***SIMPLY BETTER FOR THE HOME,
BODY AND OUR ENVIRONMENT***

- Experience "softer, silkier" feeling water on skin, hair and clothes
- Eliminate lime scale deposits on sinks, faucets and shower heads
- Prolongs life of all appliances that come in contact with water
- Specifically designed for hard water areas and tankless water heater users
- Enjoy water that lathers and rinses off easier
- Soap and detergent can be cut back 24% or more
- Brighter, whiter and longer lasting clothes, towels & sheets
- Reduces mold, mildew and corrosion due to hard water
